## ASSIGNMENT

COMES NOW, DAVID KOSTKA, residing at 2231 South Cabrillo Ave., San Pedro, CA 90731 a citizen of the United States of America who is a co-inventor with BERNARDO J. HERZER of a certain invention entitled: CARBURETOR ARRANGEMENT for which application for Utility Patent of the United States has been filed on JULY 31, 2009 and has Serial Number: 12462310 and in consideration of \$10 to me in hand paid, receipt of which is hereby acknowledged, and for other good and valuable consideration, hereby sells, assigns and transfers to said BERNARDO J. HERZER all of my right, title and interest in and to said invention and in and to said application in the United States and its territorial possessions and in all foreign countries, including the right to claim priority under any applicable provisions of the International Convention and the Patent Cooperation Treaty and to all Letters Patent or similar legal protection in the United States and its territorial possession and in any and all foreign countries to be obtained for said invention by said application or any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in a foreign country for the full term or terms for which the same may be granted.

I hereby covenant and warrant that no assignment, sale, transfer, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

I further covenant that I will, upon request, promptly provide all pertinent facts and documents relating to said application, said invention and legal equivalents in the United States of America and in all foreign countries as may be known and accessible to me and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to \*\*\*\* or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application and said invention and all patents issuing thereon and all said equivalents thereof which may be necessary or desirable to carry out the purposes thereof in the United States of America and any foreign country.
