ASSIGNMENT

For One Dollar (\$1.00) and other good and valuable consideration received of the hereinafter named assignee, receipt of which is hereby acknowledged, the undersigned

Charles M. Mettler
4290 Lane Road
Perry, Ohio 44081

Gregory H. Brown
4139 Beckley Road
Stow, Ohio 44224

hereby sell and assign to **Plastic Safety Systems, Inc.**, a corporation of Ohio, having a place of business at 2444 Baldwin Road, Cleveland, Ohio 44104, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions in **PEDESTRIAN BARRICADE ASSEMBLY** set forth in the application for United States Letters Patent executed by the undersigned

Charles M. Mettler on 10/28/09
(date)

Gregory H. Brown on 10/29/09
(date)

said application for United States Letters Patent, any and all other applications for Letters Patent on said inventions in the United States and in countries foreign to the United States, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent;

said assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise;

the Commissioner of Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue/transfer all said Letters Patent to said assignee in accordance herewith;

this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the undersigned will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by said assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and substance which may be requested by said assignee, to furnish said assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be used for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.

I/We also appoint **Plastic Safety Systems, Inc.** as my/our common representative to represent me/us before all the competent International Authorities in connection with any and all international applications on said inventions.
