Assignment and Agreement

For value received, I, **Zachary Whinnett**, of London NW5 4JU, United Kingdom, **Darrel Francis** of Harrow HA3 0DZ, United Kingdom, hereby sell, assign and transfer to Imperial Innovations Limited, having an office at Level 12 Electrical and Electronic Engineering Building, Imperial College, London SW7 2AZ, United Kingdom, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions in the patent application entitled **Apparatus and method for programming a pacemaker** and identified by DeMont & Breyer's Attorney Docket as **9931-020US**, Serial Number **12/297988**, filed on **October 21, 2008**, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Imperial Innovations Limited the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Imperial Innovations Limited to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Imperial Innovations Limited to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I hereby acknowledge that in the event of a conflict of interest between Imperial Innovations Limited and me, the firm of DeMont & Breyer, LLC is the attorney for Imperial Innovations Limited and is not my attorney.

I request that any and all patents for said inventions be issued to Imperial Innovations Limited in the United States and in all countries foreign to the United States, or to such nominees as Imperial Innovations Limited may designate.

I agree that, when requested, I shall, without charge to Imperial Innovations Limited but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
