ASSIGNMENT

WHEREAS, Searete LLC (hereinafter referred to as ASSIGNOR), having a post office address of 1756 114th Avenue SE, 110, Bellevue, Washington 98004, is the assigned owner of the entire, right, title and interest in and to the invention titled "A System For Resetting Subsets Of Motes Within A Network To Different Operational States In Accordance With Type Of Sensors" as described and claimed in the specification for which an application for United States letters patent was filed on August 26, 2005, and assigned Application No. 11/212,482; the assignment recorded in the United States Patent and Trademark Office on Reel 019281, Frame 0420; and

WHEREAS, Invention Science Fund I (hereinafter referred to as ASSIGNEE), a limited liability corporation of the State of Delaware, having a place of business at 1756 114th Avenue SE, 110, Bellevue, Washington 98004, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto said ASSIGNEE the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues, reexaminations, extensions and continuing applications thereof; including the right to file foreign applications directly in the name of ASSIGNEE and the right to claim priority rights deriving from said application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the

making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor.
