ASSIGNMENT**Corporate**

UPM Pharmaceuticals, Inc., a Maryland corporation, having a principal place of business at 6200 Seaforth Street, Baltimore, Maryland 21224 (hereafter the "Assignor"), owns a joint undivided interest, in and to the United States Patent Application below (hereafter sometimes called the "Patent Application"),

University of Maryland, Baltimore, a constituent institution of the University System of Maryland, a public corporation and an instrumentality of the State of Maryland, having a place of business at 620 W. Lexington Street, 4th floor, Baltimore, MD 21201 (hereafter the "Assignee"), desires to acquire Assignor's rights to the Patent Application and all inventions described and claimed therein or entitled to the benefit thereof.

THEREFORE, in consideration of the sum of One Dollar (\$1.00) US or equivalent and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells and assigns to the Assignee its entire right, title and interest in and to the Patent Application identified below, and all inventions described and claimed therein or entitled to the benefit thereof, in any and all Letters Patent therefor, and in any and all reissues, extensions, renewals, reexaminations, divisions and continuations of such applications or Letters Patent to the full end of the term or terms for which such Letters patent issue, such right, title and interest to be held and enjoyed by the above-named Assignee the same as they would have been held and enjoyed by the Assignor had this Assignment and sale not been made.

Patent Application

U.S. Patent Application Serial Number 10/749,339, filed on December 31, 2003, titled "Methods for Making Pharmaceutical Dosage Forms Containing Active Cushioning Components".

By its undersigned representative, the Assignor agrees to execute all papers necessary in connection with the Patent Application and any continuing, divisional, reissue, reexamination or corresponding application thereof and also to execute separate Assignment in connection with such application as the Assignee may deem necessary or expedient;

The Assignor hereby covenants that it has the full right to convey its interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict therewith.

The undersigned is empowered to sign this certificate on behalf of the Assignor.

IN WITNESS WHEREOF, executed by the Assignor's undersigned representative on the date following the undersigned's name.
