ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION,

I/We, the undersigned (each) have agreed and hereby agree to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer unto:

Occam Portfolio LLC

a limited liability company organized under the laws of the State of Delaware as Assignee, having its principal place of business at 20400 Stevens Creek Boulevard, Suite 500, Cupertino, California 95014, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to

Flexible Circuit Assemblies without Solder and Methods for their Manufacture

described in an application for Letters Patent of the United States, identified as Attorney Docket No. VEI-013, and filed on October 19, 2009, as Patent Application Number 12/581,711, and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part, divisional, and renewals of and substitutes for said application for said Letters Patent, and all the rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. I/We request that any and all letters Patent for said inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I/We agree that, when requested, I/we will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

I/We authorize and empower said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority without further written or oral authorization from us/me.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like documents which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by said international conventions, treaties, or agreements, present or future.

I/We agree to assist Assignee in obtaining patent protection for said invention(s), to vest title therein in Assignee, and to execute all necessary papers and to make all rightful oaths and declarations in connection therewith, all without charge to Assignee, but at its expense.

I/We hereby authorize any agent of said Assignee to correct any errors in this assignment.

I/We covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I/we have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, I/we have hereunto signed our/my name(s) on the day and year set forth below.
