PURSUANT to an agreement dated December 31, 2002 between AFSSA and Wyeth for the sale of certain assets, entitled AGREEMENT FOR PURCHASE OF PATENT RIGHTS WITH OPTION (the "Purchase Agreement") AFSSA has agreed to assign all such rights as it may have in the "Purchased Patent Assets", which includes the Patents and Applications, on the terms set out below;

Specifically the "Purchased Patent Assets" shall mean French patent application no. 97/15396, filed December 5, 1997, having French publication no. 2772047, and International Application No. PCT/FR98/02634, claiming priority from said French application, said international application having the International Publication No. WO 99/29871, and publication date of June 7, 1999, entitled "Circovirus Sequences Related To Piglet Weight Loss disease (PWD)", and any and all patents, certificates of invention, and applications for patents and certificates of invention, which are based on, relate to and/or claim priority from any of the foregoing applications; and any and all divisions, continuations, continuations-in-part, patents of addition, reissues, renewals, extensions, registrations, confirmations, re-examinations, provisional applications,

supplementary protection certificates or the like of such foregoing patents and patent applications, and any and all foreign equivalents and/or counterparts:

In pursuance of and subject to the Purchase Agreement and in consideration for the sums set out therein, such sums having been paid by Wyeth, AFSSA hereby assigns to the Wyeth the entire right, title and interest (including the right to sue for past infringement and/or recover pre-patent grant compensation) worldwide, in and to,

1. the Purchased Patent Assets including the Patents and the Applications and all rights, duties, liabilities, privileges and advantages attaching thereto to hold absolutely for the full term of the Patents, and any Patents issuing from the Applications, and with the intent that Wyeth shall as from the date hereof:

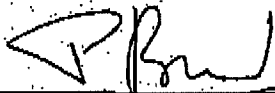

- a) be absolutely entitled to any patent granted on any of the Applications for the full term of such patents; and
- b) have the right to apply for, prosecute and obtain patents or like protection throughout the world for any invention embodied by any of the Applications, including the right to claim priority from the Applications; and

2. the Afssa Know-How as defined in the Purchase Agreement,

AFSSA shall also execute all documents and provide such information and assistance as Wyeth may request from time to time for the purpose of confirming to Wyeth all the right, title and interest in the Afssa Know-How, and in the Purchased Patent Assets which includes the Patents and Applications and to enable the Wyeth to prosecute the Applications to grant and to file and to protect the Applications and any patents issuing therefrom.

IN WITNESS WHEREOF, this Assignment has been executed in duplicate originals in English and in duplicate counterparts in the French language by or on behalf of the parties hereto on the date set forth above:
