## ASSIGNMENT

WHEREAS, I, Michael BERTHON-JONES, 7 Leonay Parade, Leonay, New South Wales 2750, Australia, have made a certain new and useful invention relating to ASSISTED VENTILATION TO MATCH PATIENT RESPIRATORY NEED, for which I have made application for Letters Patent of the United States, which application may be identified in the United States Patent Office as Application Serial No. 08/935,785, filed on September 23, 1997, for ASSISTED VENTILATION TO MATCH PATIENT RESPIRATORY NEED; and

WHEREAS, I now own the entire right, title and interest therein; and

WHEREAS, ResMed Limited, an Australian company, ACN 003 765 142, whose post office address is 82 Waterloo Road, North Ryde, New South Wales 2113 Australia, is desirous of acquiring the entire interest in and to said invention, said application, or any continuation, division, renewal, or substitute thereof, and the Letters Patent, or any reissue or re-examination thereof, to be obtained therefor:

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration to me in hand paid, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said ResMed Limited, and said assignee's legal representatives, successors and assigns, the entire right, title and interest in and to said invention, said application or any continuation, division, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof; and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned assignee, consistent with the terms of this Assignment.

I HEREBY AUTHORIZE the above-mentioned assignee to insert in this instrument the filing date and serial number of my said application.

UPON SAID CONSIDERATION, I hereby covenant and agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, renewal, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any

proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal on the date indicated below.

28 October, 1997
