ASSIGNMENT

Application No.: 12/512,881

Filed: July 30, 2009

FOR and in consideration of One Dollar (\$1.00) in hand paid and other valuable considerations, the receipt and sufficiency whereof are hereby acknowledged and confessed, we, Alyn Brown residing at 367 Lake Run Lane, North Aurora, IL 60542, a citizen of the United States of America; and James Wiff, residing at 14820 Maplewood Lane, Cologne, MN 55322, a citizen of the United States of America hereby sell, assign, transfer and set over unto Control Solutions LLC, a company having a place of business in Aurora, IL the entire right, title and interest in and to my inventions in United States Patent Application for

SECURABLE COVER FOR VEHICLE LIGHTS

and any right we may have to any United States Letters Patent taking priority from said application therefore, when issued together with all improvements thereon and betterments thereof, all divisions, continuations and reissues thereof and substitutions of or for said application, and all foreign rights including the right to make application for Letters Patent for said inventions in any and all foreign countries and the right to claim priority as to the filing date under the International Convention on the basis for the aforesaid application for United States Letters Patent; and we hereby authorize and direct the Commissioner of Patents to issue the patent for said inventions, when granted, in accordance with this Assignment and sale.

For the same considerations, we hereby agree that we will promptly communicate to the aforesaid assignee or its assigns full and complete information concerning improvements or betterments of the inventions disclosed in said application, and we will cooperate at any time upon request of said assignee or its assigns, at its or their expense, in the procurement of patent protection to cover the inventions herein assigned and to be assigned, including the execution of new, divisional, continuing and reissue applications; we will make all rightful oaths, will testify in any proceedings in the United States Patent Office or in the Courts, and generally will do everything lawfully possible to aid said assignee, its successors, assigns and nominees to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.
