ASSIGNMENT

We, ALLYSON SMITH, of 3 Glennvale Court, Columbia, SC 29223, JON THOMPSON, of 5399 Parris Bridge Road, Spartanburg, SC 29316, and JIM MONIER, 5578 209th Street, Sibley, IA 51249 have invented new and useful inventions entitled BAGS HAVING ADHESIVE DRYING STRUCTURES AND RELATED METHODS (hereinafter the "Invention").

Embodiments of the Invention are described in United States Patent Application No. _____, which was filed on _____ in the United States Patent and Trademark Office (hereinafter the "Application"). (We hereby authorize the attorneys of Stoel Rives LLP to insert said application number and filing date when known).

Exopack, LLC, a South Carolina corporation, having a place of business at 3070 Southport Road, Spartanburg, SC 29302 (hereinafter the "Assignee"), desires to secure the entire right, title and interest in and to the Invention, and in and to the Application and to any and all United States Letters Patents that may be granted and issued therefor.

For good and valuable consideration, the receipt and sufficiency of which we acknowledge, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in the Invention, and in the Application and all divisions, continuations and continuations-in-part of the Application, and in any reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on the Invention in its own name and the rights to claim the benefit of the Application and claim priority to the Application, wherever such rights may be legally exercised, including the

right to claim the benefits of the International Convention for such foreign patent applications.

We authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on the Invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the Assignee, its successors, assigns and legal representatives.

We will, without further consideration and without expense to us, sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on the Invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence or testimony, nullification, reissue, reexamination, interference, extension, or infringement proceedings and any and all pre- and post-grant proceedings be they domestic or foreign involving the Invention.

This Assignment and agreement shall be binding upon my heirs and legal representatives.

DATED this 9 day of November, 2009.
