## Assignment of Rights to Invention

Whereas, I, Kenneth A. Watson (name) of Vancouver (city) Washington (state), hereafter "inventor", an employee, independent contractor, vendor, or other similar goods or service provider for Temco, Incorporated, may invent certain new and useful improvements during my work as an employee, independent contractor, vendor, or other similar goods or service provider, related to my work on the project entitled Adapter Plate with Extension (name of patent application), hereafter the "invention";  
for Fuel Tank

Whereas, MFB Investments, LLC, of Vancouver, Washington, herein referred to as "assignee", whose post office address is 9415 S.E. Evergreen Highway, Vancouver, Washington 98664, is desirous of acquiring the entire right, title and interest in the invention;

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the inventor and assignor, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and abroad and the entire right, title and interest in and to any and all Patents which may be granted therefore in the United States or abroad; I hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any said United States Patent to said assignee, and the entire right, title, and interest in and to the same, for the assignee's sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which any said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby agree to cooperate with the assignee, at the assignee's cost, in the preparation, filing and issuance of all documentation necessary for securing intellectual property rights to said invention in the name of said assignee.

Executed this 10 day of November (month), 2009 (year),  
at Temco, Clackamas Oregon 97015 (place).

Kenneth A. Watson
