ASSIGNMENT AND AGREEMENT

For value received, I/we, **Daniel CLEMENTS**, of 6411 Wallace Lane, Colleyville, TX 76034, in the City of Colleyville in the State of Texas, **Joseph THOMPSON**, of 1039 South 53rd, Kansas City, KS 66106 in the City of Kansas City in the State of Kansas, hereby sell, assign and transfer to AT&T Intellectual Property I, L.P., having an office at 645 E. Plumb Lane, Reno, NV 89502, U.S.A. and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **“Revenue Assurances Proactive Testing Method and System”** described in an application for Letters Patent of the United States being filed herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to the AT&T Intellectual Property I, L.P. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize the AT&T Intellectual Property I, L.P. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of the AT&T Intellectual Property I, L.P. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to the AT&T Intellectual Property I, L.P. in the United States and in all countries foreign to the United States, or to such nominees as the AT&T Intellectual Property I, L.P. may designate.

Attorney Docket No. 2009-0129
Ref. No.: 40147/14601

We agree that, when requested, we shall, without charge to AT&T Intellectual Property I, L.P. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
