ASSIGNMENT

WHEREAS, we, Richard Hartmann, Jr. and Michael K. VanDuinen, invented certain processes and converters that may be included in: U.S. Patent Application Serial No. 12/629,261, filed December 2, 2009, entitled "Mount Adjustable End Cap Clamp Lock for Lighting System"; and,

WHEREAS, ITC, Incorporated, a corporation having an office located at 230 E. Lakewood Blvd, Holland, Michigan 49422, wants to acquire title to our interest in the aforesaid applications, the improvements and the inventions disclosed therein, and all Letters Patent or other certificates of protection, of the United States, or of any other country, that may be granted therefore;

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) to us in hand paid, and other good and valuable considerations, the receipt of which are hereby acknowledged, we, Richard Hartmann, Jr. and Michael VanDuinen, do hereby sell, assign and transfer unto ITC Incorporated, its successors and assigns, our entire right, title and interest in and to the aforesaid applications, the improvements and the inventions disclosed therein, all priority rights pertaining to same, and all Letters Patent and other certificates of protection, both domestic and foreign, that may be granted therefore, including any reissues and extensions thereof, to be held by ITC Incorporated as fully and entirely as the same would have been held by us had this Assignment and sale not been made; and we hereby bind ourselves, our heirs and legal representatives, to promptly, upon request of the assignee, execute with proper signatures and oath or affirmation, any and all papers including all regular, divisional, substitute, continuing and reissue applications for improvements and any of the inventions and all applications for foreign patents or other certificates of protection for improvements and any of the inventions, and to perform, but without cost or expense to us, all acts necessary or expedient to secure to the assignee patent or other protection for improvements and any inventions in the United States and in all foreign countries selected by the assignee, as fully and entirely as the same might have been secured by us had this Assignment not been made.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal this FIRST
