ASSIGNMENT

IN CONSIDERATION OF good and valuable consideration, receipt of which is hereby acknowledged, H. Koch & Sons Co., Inc. (hereinafter referred to as "Assignor") does hereby sell, transfer, set over and assign unto Conax Florida Corporation, having a principal place of business at 2801 75<sup>th</sup> Street North, St. Petersburg, FL 33710 ("Assignee"), its successors, assigns, nominees, or other legal representatives, all of its entire right, title and interest in and to the above referenced patent, including all rights in all countries throughout the world, including the rights to claim convention priority, in and to any and all improvements disclosed in the above referenced patent, and by any other patent or patent application issued or filed on said invention, whether or not claiming convention priority thereon, and any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof, and request all officials of any country or countries whose duty it is to issue letters patent to issue said letters patent in the name of Assignee;

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment; and

Assignor hereby further covenants that:

It will promptly provide Assignee, at its request, with all pertinent facts and documents relating to said invention and said patent and all other patent applications to be filed thereon, and any letters patent issuing thereon, as may be known or accessible, and will testify as to the same in any interference, litigation or proceeding related thereto, and

It will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said invention, said patent, and any other patent application filed on said invention, whether or not claiming convention priority thereon, and any letters patent issuing thereon, and any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof, which may be necessary or desirable to carry out the purposes thereof.
