ASSIGNMENT OF PATENT RIGHTS

Whereas Summer Infant (USA), Inc., a Rhode Island corporation, having a principal place of business at 1275 Park East Drive, Woonsocket, Rhode Island 02895, herein referred to as "Assignee", has purchased from Classy Kid, Inc., having a principal place of business at 3635 S. Fort Apache Rd., #200B, Las Vegas, Nevada 89147, herein referred to as "Assignor", the patent rights listed below; and

Whereas the purchase referenced above was formalized in an Asset Purchase Agreement, dated November 19th, 2009, as amended;

Now therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor sells, assigns, and transfers to Assignee the full and exclusive right to the listed inventions in the United States, and the entire right, title, and interest in and to the listed patent rights, including the entire right, title, and interest in and to any and all patents that may be granted in the United States on any listed pending patent applications. Assignor further authorizes and requests the Director of Patents and Trademarks to issue any said United States patents to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said patents may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.

Invention	Patent No.	Issue Date	Application No.	Filing Date
Dispenser For Back Of High Chair And Other Surfaces	D550,487	September 11, 2007	29/254,272	February 21, 2006
First Aid Case	D562,547	February 26, 2008	29/281,012	June 13, 2007
Wrap-Around Place Mat	Pending	Pending	12/174,347	July 16, 2008

Further, Assignor sells, assigns, and transfers to Assignee the entire and exclusive right, title, and interest in and to any and all continuation or divisional patent applications and patents that may be granted in the United States that are related to the listed patents and patent applications. Assignor further authorizes and requests the Director of Patents and Trademarks to issue any said patents to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said patents may

be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.

Further, Assignor sells, assigns, and transfers to Assignee the full and exclusive right to said inventions in any foreign country or region in which Assignor has similar rights to those held in the United States, whether by international treaty or otherwise, and the entire right, title, and interest in and to any and all related or counterpart patent applications and patents that may be granted therefor in any said foreign country or region. Assignor further authorizes and requests the respective foreign patent authority to issue any said patents to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said patents may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.
