(hereinafter referred to as "the Assignee") his/its entire right, title and interest for the invention the subject of an Australian Patent Application No. 2005269251, entitled 'Storage Box' (hereinafter referred to as "the Invention").

The Assignor agrees to execute all papers necessary in connection with any application and any continuation, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications in Australia and elsewhere as the assignee may deem necessary or expedient.

2

The Assignor agrees to execute all papers necessary in connection with any interference which may be declared concerning any applications in countries other than Australia or continuations, divisions or reissues thereof and to co-operate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The Assignor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The Assignor agrees to perform all affirmative acts which may be necessary to obtain grants of valid patents to the Assignee.

The Assignor hereby authorises and requests the Commissioners of Patents to issue any and all Letters Patent in Australia and/or other countries resulting from said applications or any division or divisions or continuing or reissue applications thereof to the said Assignee, as Assignee of their entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

In witness hereof, executed by the Assignor and Assignee on the below mentioned date.
