ASSIGNMENT

For valuable consideration, I, John Rose, of 947 Hardwood View Cove, Collierville, Tennessee 38116, hereby assign to SMITH & NEPHEW, INC., a corporation of Delaware, having a place of business at 1450 Brooks Road, Memphis, TN 38116, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of an International patent application signed by me, entitled Multimodal Shape Memory Polymers, filed 4/18/2008, and assigned Serial Number PCT/US08/60783 and a United States patent application, signed by me, entitled Multimodal Shape Memory Polymers, filed 10/9/09 and assigned U.S. Serial Number 12/595,341, and I authorize and request the attorneys appointed in said applications to hereafter complete this assignment by inserting above the filing dates and serial numbers of said applications when known, this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at Memphis, TN on this
30 day of September, 2009.

[Signature], L.S.
John Rose
