## ASSIGNMENT

WHEREAS, I, ANTHONY L. BOWMAN, of 990 Big Stony Creek Road, Ripplemead, Virginia 24150, have invented certain new and useful improvements in a FIBER OPTIC ROTARY JOINTS, METHODS PRACTICED THEREBY, AND FIBER OPTIC DEVICES, for which I am about to make application for Letters Patent under the Patent Cooperation Treaty; and

WHEREAS, MOOG INC., a New York corporation, of Jamison Road, East Aurora, New York 14052, is desirous of acquiring an interest in the said invention and application, and in any Letters Patent that may be granted therefor:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration to us in hand paid, the receipt whereof is hereby acknowledged, I have assigned, sold and set over, and do hereby assign, sell and set over, unto the said MOOG INC., the full and exclusive right, title and interest in and to the said invention and application for all countries and regions designated in the International Request which accompanies said application, as fully set forth and described in the specification prepared and executed by me on the 1 day of Dec, 2009, preparatory to filing said application; said invention, application and any Letters Patent to be held and enjoyed by the said MOOG INC.; for its own use and behoof, and for its successors and assigns, to the full end of the term for which any Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

AND I agree to sign and properly execute such necessary and lawful papers for filing continuations and divisions of said application for patent, for interference or proceedings, and for obtaining any reissue or reissues of any Letters Patent that may be granted for my aforesaid invention, as the assignee thereof shall hereafter require and prepare at its own expense.

AND I do further understand that in executing this document, I am transferring my entire interest in and to said invention and application(s) to the assignee hereof, and that the attorney(s) that I have appointed in said application(s) also represent the assignee and any co-inventor(s) identified in said application(s). I consent to such multiple representation for the purpose of prosecuting said application(s), and do hereby authorize said attorney(s) to take all future instructions from the assignee. I am unaware

of any potential interest that I may have that differs from, or is adverse to, that of the assignee with respect to the prosecution of this application(s), and I further acknowledge that, prior to executing this document, I did not seek or obtain any legal advice from said attorney(s) with respect to this assignment, and that I had been informed of my right to seek independent counsel of my own choosing and at my own personal expense.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal this 1 day of Dec, 2009.

  
L.S.
