PATENT ASSIGNMENT

WHEREAS, LASER GUARD, LTD, ASSIGNOR, a company having principal mailing address of Post Office Box 2898, Aco, Israel 24128 is the owner of rights in the patents set forth on the attached Schedule A, and the inventions disclosed and claimed therein; and

WHEREAS, SAFEGUARDS TECHNOLOGY, INC., ASSIGNEE, is a corporation of the state of Georgia having its principal office and place of business at 75 Atlantic Avenue, Hackensack, New Jersey 07601, is desirous of obtaining the entire right, title and interest in, to and under the said inventions and patents:

NOW, THEREFORE, effective immediately by this document, and for good and valuable consideration, the receipt and sufficiency are hereby acknowledged, ASSIGNOR does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest, in the United States and all foreign countries, in said patents and patent applications and to the inventions disclosed therein, and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, and in and to all income, royalties, damages, claims, and payments hereafter due or payable with respect thereto, and in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for present, and future infringement of the rights assigned to ASSIGNEE hereunder.

AND ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR hereby covenants and agrees that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

AND ASSIGNOR hereby further covenants and agrees that it will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said design, and testify in any legal proceeding provided ASSIGNEE shall pay me all reasonable costs and expenses associated therewith, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce protection for said design in all countries.
