## Patent Rights Assignment Agreement

---

This Patent Rights Assignment Agreement ("Agreement") is entered into by and between Mike Pohlman, a United States citizen, of 1035 Hidden Ridge Trail, Valley Park, Missouri 63088 (USA) and Tim Cimmerer, a United States citizen, of 2211 N. 12<sup>th</sup> Avenue, Paragould, Arkansas 72450 (USA), (collectively "**Assignors**") and Anchor Packaging, Inc., a Missouri corporation of 13515 Barrett Parkway Drive, Suite 100, St. Louis, Missouri 63021 (USA) ("**Assignee**").

WHEREAS, **Assignors** claim to be the inventors or co-inventors of an invention entitled CONTAINER WITH SELF-VENTING FEATURES (the "Invention"), for which U.S. Patent Application Number 12/565,515 was filed on September 23, 2009 (the "Application").

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all such consideration being hereby acknowledged, **Assignors** assign to **Assignee** and confirm any prior assignments to **Assignee**, and to the extent that **Assignors** have not already done so, assign to **Assignee** and its successors in interest, the full and exclusive right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, of the Paris Convention and of any foreign countries to the Invention, any improvements to the Invention and to the Application, together with any continuations, continuations-in-part or divisionals thereof, and any patents issuing thereon and all reissues, reexaminations or extensions thereof, and all foreign applications and patents claiming priority thereto, including the right to sue for and to recover for past infringements of or liabilities for any of the rights relating to any of the applications or patents resulting there from, as fully and entirely as the same would have been held and enjoyed by **Assignors**, if this assignment had not been made.

**Assignors** hereby authorize and request the appropriate governmental officials to issue any and all such United States or foreign Letters Patent arising from or related to the Application, Invention, improvements to the Invention or resulting from any of the aforesaid applications to **Assignee**, as assignee of the entire right, title and interest in and to the same.

**Assignors** hereby represent, warrant and covenant that they have the full right to convey the entire interest herein assigned, that they have not executed and will not execute any instrument or assignment in conflict herewith, including any assignment or license of the Provisional (excepting only prior assignments to **Assignee**) and that the rights assigned herein are not otherwise encumbered by any sale, assignment, grant or conveyance (excepting only prior assignments to **Assignee**).

**Assignors** further covenant and agree that **Assignors** will at any time upon request make, execute and deliver without further compensation, any and all other

instruments in writing, including further applications, papers, affidavits, powers of attorney, assignments, and other documents, and do all lawful acts and things, which, in the opinion of counsel for said **Assignee**, its successors and assigns, may in any country be required or necessary to more effectively secure to and vest in the **Assignee**, its successors and assigns the Patent Rights hereby assigned, transferred and conveyed, and that **Assignors** will sign any applications for reissue, division, continuation, continuation-in-part, renewal, substitute or extension of for Letters Patent for the Application, Invention or improvements thereon.

**Assignors** agree to execute all papers and documents and to perform any act that may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

**Assignors** further covenant and agree that **Assignors** will at any time upon request, communicate to the **Assignee**, its successors, assigns or legal representatives any facts relating to the Application or Invention known to him, and will testify as to the same in any interference, litigation, mediation, arbitration or other proceeding when requested to do so.

Any third-party is hereby authorized to accept and to treat a copy of this instrument as the original.
