ASSIGNMENT OF APPLICATION

Docket Number: N010200901

Whereas, I, Barclay J. Tullis , of Palo Alto, CA , hereafter referred to as "applicant," have invented certain new and useful improvements in Method of Protection with Massive Security Barriers Having Tie-Bars in Tunnels ;

for which an application for a United States Patent was filed on November 13, 2009 with Application Number 12/618,699 ;

for which an application for a United States Patent was executed on _____;

Whereas, applicant is desirous of selling, assigning, and transferring his full and exclusive right to said invention in the United States and the entire rights, title, and interest in and to any and all Patents that may be granted therefore in the United States and of relinquishing all rights, title, and interest in the abovementioned invention; and

Whereas, Kontek Industries, Inc., of New Madrid, Missouri, hereafter referred to as "assignee," whose mailing address is P.O. Box 98, New Madrid, MO 63869, is desirous of acquiring the exclusive right to the abovementioned invention in the United States and the entire rights, title, and interest in and to any and all Patents that may be granted therefore in the United States; and

Now, therefore, in consideration of the sum of one dollars (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, applicant does hereby sell, assign, and transfer to assignee the full and exclusive right to the abovementioned invention in the United States and the entire rights, title, and interest in and to any and all Patents which may be granted therefore in the United States. Applicant hereby relinquishes all rights, title, and interest, of any sort whatsoever, in any and all Patents which may be granted as to the abovementioned invention. Applicant hereby authorizes and requests the Director of the U.S. Patent and Trademark Office to issue said United States Patent to assignee, of the entire right, title, and interest in and to the same, for assignee's sole use and behoof; and for the use and behoof of assignee's legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

This Assignment of Application contains the entire agreement between applicant and assignee with regard to the matters set forth herein and shall be binding and inure to the benefit of the conservators, spouses, receivers, trustees, executors, administrators, personal representatives, affiliates, heirs, successors, subsidiaries, and assigns of each.

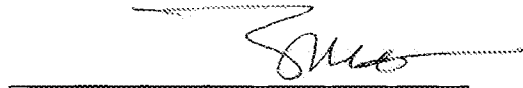

This Assignment of Application supersedes all other contracts and agreements, whether oral or written, except as provided herein.

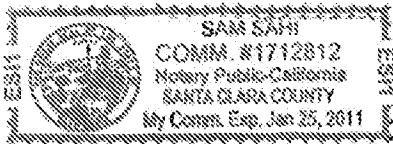

IN WITNESS WHEREOF, applicant has executed this Assignment of Application on this 17th day of November, 2009 at Palo Alto, CA.
