WHEREAS, I Scott A. Dye of 4491 S. Braun Ct., Morrison, CO 80465, U.S.A., together with my co-inventor, Gary L. Mills, have made an invention entitled "INTEGRATED MULTILAYER INSULATION", for which we have prepared an application for Letters Patent of the United States, or filed an application for Letters Patent of the United States on June 29, 2009, under Application No. 12/493,852; and

WHEREAS, Quest Product Development Corporation ("Quest"), a corporation or other business entity duly registered in the State of Colorado, whose address is 4900 Iris Street, Wheat Ridge, CO 80033, desires to acquire all of my right, title, and interest in and to the invention, the application, and any Letters Patent to be granted for the invention in the United States and in all foreign countries;

NOW, THEREFORE, in view of good and valuable consideration, paid to me, Scott A. Dye, by Quest, the receipt and sufficiency of which I acknowledge, I have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto Quest, its successors, legal representatives, and assigns, all of my right, title, and interest in and to the invention, the application, all applications claiming benefit of the application, including, but not limited to, all divisions and continuations of the application, and all Letters Patent that may be granted thereon in the United States, and in all foreign countries, and all reissues thereof, together with the right to claim priority under the International Convention in all member countries; and I authorize and request the Director of Patents and Trademarks to issue all Letters Patent for the invention to Quest, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND I covenant and agree that I have the full right to convey all of my right, title, and interest herein assigned and that I have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND I further covenant and agree that upon request by Quest, its successors, legal representatives, and/or assigns, and without further consideration, I will do all lawful acts that may be necessary or desirable to assist Quest, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention in the United States and in all foreign countries, including, but not limited to, communicate with Quest, its successors, legal representatives, and/or assigns any facts known to me regarding the invention, testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in Quest, its successors, legal representatives, and/or assigns, execute all divisional, continuation, and reissue applications, and make all rightful oaths, it being understood that any expense incident to the rendering of such assistance will be borne by Quest, its successors, legal representatives, and/or assigns;

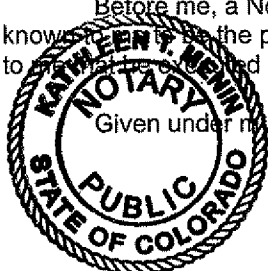

IN WITNESS WHEREOF, I have executed this Assignment on the date(s) indicated below.
