for which an application for Design Patent of the United States has been filed, said application being identified as follows: Serial No. 29/345,503 filed October 16, 2009; and

WHEREAS, **Emerson Electric Co.**, a corporation duly organized under the laws of the State of Missouri, and having its principal place of business at 8000 West Florissant Ave., St. Louis, Missouri 63136, is desirous of acquiring an interest in, to and under said invention, said application and any and all Design Patents which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, **William R. Lewis**, **Philip S. Johnson**, **Marshall J. Huggins**, **Joe E. Tomlinson**, and **Prashant Jagdale**, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said **Emerson Electric Co.**, the full and exclusive right, throughout the world, in, to and under the following:

(a) said invention as fully set forth and described in the application executed by each of us as co-inventors herewith preparatory to obtaining a Design Patent of the United States therefor and identified under attorney Docket No. 40958-DSG;

(b) said application;

- (c) any and all refilings, divisions and continuations of said application;
- (d) any and all Design Patents of the United States of America which may issue from said application, refilings, divisions and continuations;
- (e) any and all reissues of said Design Patents of the United States of America;
- (f) any and all applications for Design Patent on said invention which have heretofore been filed or may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (g) any and all refilings, divisions and continuations of said foreign-filed applications;
- (h) any and all Design Patents of countries foreign to the United States of America which may issue from said foreign-filed applications, refilings, divisions and continuations; and
- (i) any and all extensions of and additions to said Design Patents of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by **Emerson Electric Co.**, for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Design Patents may be granted, and I/we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Design Patents in accordance with this Assignment.
