PATENT ASSIGNMENT

I, Eric D. Whitman, an individual residing at 11 Valley Road, Mountain Lakes, New Jersey 07046 (hereinafter called "Assignor") and a listed inventor of Patent No. 6,368,286, entitled Pneumothorax Detector, as more fully disclosed in that certain application for Letters Patent of the United States evidenced by U.S. Application Number 09/322,850, filed May 28, 1999 together with his co-inventor Steven R. Frank, and all inventions and rights disclosed therein (the "Patent"),

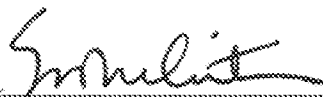

for and in consideration of good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged,

do hereby sell, assign and transfer to Pneumotector Development LLC, a Missouri limited liability company, having a principal place of business at P.O. Box 301, Mountain Lakes, New Jersey 07046 (hereinafter called "Assignee"), the entire right, title, and interest in and to all said inventions and discoveries disclosed in the Patent and in and to all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said Patent, inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made;

And for the consideration aforesaid, Assignor covenants and agrees with said Assignee that it has a full and unencumbered title, free of liens, encumbrances and security interests, to the Patent, and the inventions and discoveries above described and hereby assigned, which title it warrants unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignor further covenants and agrees that it will, whenever requested, but without cost to it, properly communicate to said Assignee or its representatives any facts known to it relating to said Patent, inventions or discoveries, testify in any interference or legal proceedings involving said Patent, inventions or discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said Patent, inventions and discoveries or that may be necessary to vest in said Assignee the complete title to said Patents, inventions and discoveries and patents hereby conveyed and to enable it to record said title.

IN TESTIMONY WHEREOF, Assignor has hereunto set its hand and seal this 14th day of October, 2009.
