ASSIGNMENT

WHEREAS, WE, Sean T. Van Uum, a citizen of the United States residing at 2845 Gramercy Court, Cumming, Georgia, 30040, and Robert P. Hieronymus, a citizen of the United States residing at 192 Tudor Place, Marietta, Georgia, 30064, ("Assignors"), have invented certain new and useful improvements in "ASSEMBLAGE OF CONTAINERS", for which We filed an application for Letters Patent of the United States on October 22, 2009 and accorded Serial No. 12/603,998 ("Application"); and

WHEREAS, Georgia-Pacific Consumer Products LP a limited liability company duly organized under the laws of the State of Delaware, having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia ("GPCP"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention, Application, any patent application relating to the aforesaid invention, any patent application claiming the benefit of the filing date of the Application and in and to any letters patent of the United States or any foreign country which may be granted thereon or therefor;

NOW, THEREFORE, be it known that for good and valuable consideration, including our employment by GPCP, the receipt of which is hereby acknowledged, Assignors by these presents do hereby sell, assign, and transfer unto GPCP, its successors, legal representatives, and assigns the full and exclusive right in and to the invention as described in the Application, and the entire right, title, and interest in and to the Application, any and all patent applications relating to the aforesaid invention, any and all patent applications claiming the benefit of the filing date of the Application, and any and all letters patent which may be granted therefor in the United States and its territorial possessions, and in any and all foreign countries, and in and to any and all divisions, continuations, continuations-in-part, reexaminations, reissues, extensions, substitutions and renewals thereof; to the full end of the term for which said letters patent may be granted, the same to be held and enjoyed by GPCP, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment had not been made;

AND ASSIGNORS HEREBY authorize and request the Commissioner for Patents or any other proper officer or agency of any country whose duty it is to issue patents on applications as described above, to issue all said letters patent to GPCP, as assignee;

AND ASSIGNORS HEREBY warrant and covenant that we have full right to convey the entire interest herein assigned and that we have not executed and will not execute any instrument or assignment in conflict with this Assignment;

AND ASSIGNORS HEREBY agree to communicate to GPCP or its representatives any facts known to us respecting said invention and/or Application, to execute all divisional, continuation, continuation-in-part, reexamination, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and/or Application, and to testify in any judicial or

administrative proceeding and generally do everything possible to aid GPCP to secure full and complete protection for the invention and/or Application or that may be necessary to vest in GPCP the complete title to the invention and/or Application hereby conveyed and to enable it to record said title and enforce said letters patent in the United States or any foreign country when requested so to do by GPCP.
