ASSIGNMENT

WHEREAS, I, **Josh Downes**, have invented a certain improvement in **KEY ORGANIZING DEVICE** described in an application for Patent,

- ☐ the specification of which is about to be filed in the United States Patent Office under Attorney Docket No. ☐
 - ☐ as a Provisional Application
 - ☐ as a Non-Provisional Application
- ☐ the specification of which is United States Application No. ☐, filed ☐
- ☒ the specification of which is a Patent Cooperation Treaty Application, International Application No. **PCT/US08/86896**, filed **December 15, 2008**, which designates the United States of America
 - ☐ and assigned United States Application No. ☐
- ☐ which was patented under United States Patent No. ☐

WHEREAS, **Keyport, Inc.** (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the State of Nevada, and having a usual place of business at 50 N. Gibson Road, Suite 180, Henderson, Nevada 89014, desires to acquire an interest in the application in accordance with agreements duly entered into with me;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto the ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories, and all foreign countries, in and to all inventions as described in said application, together with the entire right, title and interest in and to said application and such Letters Patent as may issue on said inventions; said inventions, application, and Letters Patent to be held and enjoyed by the ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. I hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in the ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of the ASSIGNEE's selection, and the right to procure the grant of all such Letters Patent to the ASSIGNEE for its own name as assignee of the entire right, title and interest therein; I hereby expressly authorize the filing of an

International Patent Application under the Patent Cooperation Treaty that corresponds to and claims the priority of the above-identified application;

AND, I hereby further agree for myself and my executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts that may be deemed necessary to secure fully the aforesaid inventions to the ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of any future applications including substitution, reissue, divisional or continuation applications, and preliminary or other statements, and the giving of testimony in any interference or other proceeding in which said inventions or any application or patent directed thereto may be involved;

AND, I do hereby authorize and request each Patent Office and the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said invention to the ASSIGNEE, its successors, assigns, and legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal the date set forth below.
