A S S I G N M E N T

Serial No.: PCT/US2007/019655
Filed: September 7, 2007

WHEREAS, FENG TIAN, residing in San Diego, California, THEA NORMAN, residing in San Diego, California, and STEPHANIE CHU, residing in San Diego, California, (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to:

"HYBRID SUPPRESSOR TRNA FOR VERTEBRATE CELLS"

for which they have on the 7th day of September, 2007 executed an application for Letters Patent of the United States and for patents in foreign countries (including related rights such as utility-model registrations, inventor's certificates, and the like); and

WHEREAS, AMBRX, INC., a corporation of the State of DELAWARE, (hereinafter called "Assignee"), is desirous of acquiring the entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations to their moving, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and does hereby sell, assign, and transfer unto said Assignee the entire right, title, and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available is hereby authorized, and in and to said application, all provisional, non-provisional, international, and national stage applications thereof (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said inventions and discoveries in the United States and any foreign countries, all substitutions, divisions, and continuations thereof, and in and to all United States Letters Patents and foreign patents, that may be granted for said inventions and discoveries, all rights under all available International Agreements, Treaties, and Conventions for the protection of Intellectual property in its various forms in every participating country, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents of the United States, and any officials of foreign countries whose duty it is to Issue Patents on applications as aforesaid, to Issue all patents for said inventions in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to themselves, promptly communicate to said Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title.

IN TESTIMONY WHEREOF, Assignor has hereunto set his hand and seal this 19 day of 12, 2007.
