ASSIGNMENT

WHEREAS, Richard BORGI, a citizen of FRANCE, residing at Rue Pierre et Marie Curie 31670, Labège, France is the inventor of a certain new and useful design in APPARATUS FOR AIR STERILIZATION, said design being described in an application for Design Patent the specification of which was filed on April 30, 2009 and was assigned Serial No. 29/336,300; and

WHEREAS, GLOSTER EUROPE, an entity organized under the laws of France and having its principal place of business at Rue Pierre et Marie Curie 31670, Labège, is desirous of acquiring the entire right, title, and interest in and to said design and in and to any Design Patent, including any continuation, continuation-in-part, or divisional applications that may be granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, for valuable consideration, Richard BORGI having sold, assigned, and transferred, and by these present, do sell, assign, and transfer unto said GLOSTER EUROPE his entire right, title and interest in and to said design in the United States and its territorial possessions and in all foreign countries and my entire right, title and interest in and to any and all Design Patent which may be granted therefore in the United States and its territorial possessions and in any and all foreign countries and in and to any and all division, reissues, continuations, and extensions thereof.

I HEREBY authorize and request the Patent Office officials in the United States and in any and all foreign countries to issue any and all said Design Patent, when granted, to said GLOSTER EUROPE, for the sole use and enjoyment of said GLOSTER EUROPE, its successors and assigns.

FURTHER, I agree that we will communicate to said GLOSTER EUROPE, or its representatives, any facts known to us respecting said design, and testify in any legal proceedings, sign all lawful papers, execute all divisions, continuations, substitutions, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Design Patent to be issued to said GLOSTER EUROPE, make all rightful oaths, and, in general, do everything necessary or desirable to aid said GLOSTER EUROPE, its successors and assigns, to obtain and enforce proper protection for said design in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, we have hereunto set our hands on the date so indicated.
