ASSIGNMENT

WHEREAS, PALCO LABS, INC., a California corporation (hereafter referred to as ASSIGNOR), having a principal place of business at 1360 El Pueblo Road, Suite 102, Scotts Valley, California 95066, now owns rights in and to the inventions listed below; and

WHEREAS, AMBI, INC., California corporation (hereafter referred to as ASSIGNEE), having a principal place of business at 908 Sir Francis Avenue, Capitola, California 95010, desires to acquire all right, title and interest in and to said listed inventions and designs, and all right, title and interest in and to all patent applications, design registrations and patent rights pertaining to said inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR does hereby assign, sell, transfer and set over unto said ASSIGNEE, its successors and assigns, all of the right, title, and interest for the territory of the United States of America and for all foreign countries, in and to said inventions, as described in the patents, design registration and patent applications identified below, and all right, title and interest to said patents, applications and any divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof, which may be granted on said applications, and in and to any patent application which may be filed on said inventions listed below in countries foreign to the United States of America and any patents granted thereon, including the filings and applications listed here below:
