## ASSIGNMENT OF RIGHTS TO AN INVENTION

In return for the benefits I will receive in accordance with the University of Guelph's Invention Policy, I hereby irrevocably assign to the UNIVERSITY OF GUELPH, its successors and assigns, all my rights to an invention entitled: **Capsule vaccines against *Campylobacter jejuni*** which is described in the specifications submitted herewith. I agree to abide by the terms of the University of Guelph's Invention Policy as outlined in Addendum I, as attached.

I further agree, without charge to the UNIVERSITY OF GUELPH, but at its expense, to execute, acknowledge and deliver all such further papers, including applications for patents, as may be necessary to obtain patents for the aforementioned invention in any and all countries and to vest title thereto in the UNIVERSITY OF GUELPH, its successors and assigns or nominees. I further agree that I will not, except as authorized in writing by the UNIVERSITY OF GUELPH, publish or disclose, or authorize anyone else to publish or disclose, any secret or confidential knowledge or other matter relating to the aforementioned invention. This written consent by the University shall not be unreasonably withheld. I acknowledge receipt this day of an executed copy of this agreement.

Signed at the City of Guelph, in the County of Wellington, and in  
the Province of Ontario, this 27<sup>th</sup> day of September, 2005.
