ASSIGNMENT

WHEREAS, we, William T. Ball of 1980 Inwood Circle, Colorado Springs, Colorado 80904 and Eric Pilarczyk of 5942 Vallecito Drive, Colorado Springs, Colorado 80923, have invented a certain new and useful invention entitled "**Drain Closure Device**" for which an application for Letters Patent of the United States has been prepared and filed on December 30, 2009, receiving Serial No. 12/649,717, and further identified as Attorney File No. 5564-179;

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, WCM Industries, Inc., a Colorado corporation having a place of business at 2121 Waynoka Road, Colorado Springs, Colorado 80915, its successors, legal representatives and assigns, the aforesaid application and the invention described therein for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; we also assign any right, title or interest in and to the said invention which has not already been transferred to the assignee, we warrant that we have made no assignment of the invention, application or patent therefor to a party other than WCM Industries, Inc. and we are under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to WCM Industries, Inc., its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
