PATENT ASSIGNMENT

This PATENT ASSIGNMENT (the "Assignment") is made effective as of September 9, 2008, by and between Vetco Pipeline Services, Inc., a corporation existing under the laws of the State of Texas (the "Assignor"), and NDT Systems & Services (America) Inc., a corporation existing under the laws of the State of Delaware (the "Assignee") (collectively, the Assignor and the Assignee are referred to herein as the "Parties").

WITNESSETH:

WHEREAS, the Assignor is the owner of the entire right, title and interest in and to certain patents and patent applications listed on Schedule 1 annexed hereto (collectively referred to as the "Patents"), and the Assignee is desirous of acquiring all right, title and interest in and to the Patents and related intellectual property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby sell, convey, assign, transfer, and set over to the Assignee the entire right, title and interest in and to the Patents throughout the world and the inventions and designs covered thereby, including the right to claim priority and the right to any continuation, division, continuation-in-part or substitute application thereof and the right to any renewal, reissue, restoration, extension or reexamination of any patent thereof, together with all claims by the Assignor for damages and other recoveries by reason of past infringements of the Patents with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives, the same to be held and enjoyed by the Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and legal representatives, to the end of the terms for which the Patents have been or will be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made.

The Assignor agrees that when requested by the Assignee it will, at the sole cost of the Assignee, execute all documents necessary or desirable to properly vest full right, title and interest in and to the Patents throughout the world in the name of the Assignee or which, in the sole judgment of the Assignee, may be necessary to obtain, maintain, issue or enforce said Patents.
