ASSIGNMENT AND AGREEMENT

For value received and intending to be legally bound, I/we, the undersigned joint inventor(s) (Assignor(s)), sell, assign and transfer to **Regeneron Pharmaceuticals, Inc.** (Assignee), 777 Old Saw Mill River Road, Tarrytown, New York 10591, United States of America, and its successors, assigns and legal representatives, the entire right, title and interest in and to my/our invention and any improvements thereon for all countries of the world, relating in and to the application for Letters Patent therefore, assigned Attorney Docket No. **FRAV2004/0037 US NP**, and entitled

ANTITUMOR COMBINATIONS CONTAINING A VEGF-INHIBITING AGENT AND 5FU OR A DERIVATIVE THEREOF

and for all patent applications which claim priority to or are derived from said priority applications:

Priority Application Filing Date :	December 3, 2004
Priority Application No.:	FR 0412870; and
International Application Filing Date:	December 2, 2005
International Application No.:	PCT/FR2005/003005

and all the rights and privileges, including any and all benefits under the International Convention for the Protection of Industrial Property, including the right to claim priority based on the above applications, and under any and all Letters Patent which may be granted therefore, and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country or patent organization, including continuations, divisions, renewals, revivals, and any substitute applications of said priority application, and any and all patents which may issue thereon, and any reissues, pipelines and extensions, and governmental exclusivity rights of the same.

I/we authorize and request competent authorities to grant and issue any and all patents on said invention to said assignee or its successor, assigns and legal representatives, or to such nominees as said assignee may designate.

I/we agree that, when requested, I/we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title thereto in said assignee, its successors, assigns, legal representatives or nominees.

I/we covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I/we have full right to convey the same as herein expressed.

Signed at Waltham, MA USA on this 20th day of March, 2008.
