QUIT CLAIM ASSIGNMENT

WHEREAS, Intellmat, LLC ("ASSIGNOR"), a Utah limited liability company, previously having a place of business at 6955 Union Park Center, Suite 320, Midvale, Utah, 84047 and now having a place of business at 4094 Ponderosa Way, Las Vegas, Nevada, 89118 is the owner of all right, title and interest in the invention(s) disclosed in the several patent applications listed in Exhibit A attached hereto.

WHEREAS, REVOLUTIONARY PLASTICS, LLC ("ASSIGNEE"), a Nevada limited liability company, having a place of business at 4094 Ponderosa Way, Las Vegas, Nevada, 89118, is desirous of acquiring all the right, title and interest of ASSIGNOR in and to the several patent applications listed in Exhibit A attached hereto.

WHEREAS, ASSIGNOR purported to assign to Cinder Ash, LLC, a Nevada Limited Liability Company all right and title and interest in the inventions disclosed in Exhibit A hereto by ASSIGNMENT dated 9 September 2008.

WHEREAS, Cinder Ash, LLC, underwent a name change to REVOLUTIONARY PLASTICS, LLC and is therefore the ASSIGNEE herein;

WHEREAS, the ASSIGNMENT dated 9 September 2008 may not be deemed effective to transfer ownership to ASSIGNEE so that this QUIT CLAIM ASSIGNMENT is being submitted to confirm the transfer intended by the ASSIGNMENT dated 9 September 2008.

NOW THEREFORE, for certain good and valuable consideration already exchanged, the sufficiency and receipt of which is hereby acknowledged, ASSIGNOR does hereby quit claim, sell, assign, and transfer to ASSIGNEE, its successors, legal representatives and assigns, whatever interest it does or may have in and to the aforesaid several patent applications set forth in Exhibit A for the territory of the UNITED STATES OF AMERICA and elsewhere throughout the world including CANADA and CHINA, and all continuations, divisionals, continuations-in-part and reissue applications, and all patent applications of each and every kind and type claiming priority to or from any one or more of the several patent applications listed in Exhibit A in all other countries including CANADA and CHINA, and including all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for any of the inventions set forth in each of the several patent applications, and all Letters Patent, Invention Registrations, Utility Models, Extensions, Certificates of Reexamination and Reissues, and all other patent rights, obtained for any and all of the invention in the UNITED STATES OF AMERICA and all and any other country including CHINA and CANADA.

ASSIGNOR warrants that no assignment has been made of any one or more or all of the inventions disclosed in the applications listed on Exhibit A hereto, as well as any one or more or all of the applications and/or patents therefor listed in Exhibit A hereto, to a party other than ASSIGNEE; and ASSIGNOR is under no obligation to make any assignment of any one or more or all of the inventions disclosed in the applications listed on Exhibit A hereto, as well as any one or more or all of the applications and/or patents therefor listed in Exhibit A to any other party.

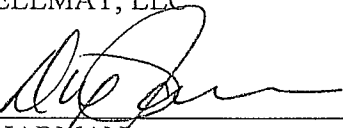

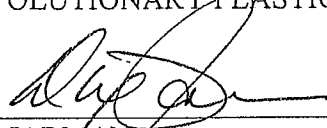

ASSIGNOR further agrees to cooperate with ASSIGNEE hereunder in the obtaining and sustaining and confirming ownership for and in the ASSIGNEE of any and all of the patent applications listed in Exhibit A hereto as well as such Letters Patents, Invention Registrations, Utility Models, Extensions, Certificates of Reexamination and Reissues, and all other patent rights, obtained for any and all of the inventions therein disclosed, in the UNITED STATES OF AMERICA and in all and any other countries including CANADA and CHINA, but at the expense of ASSIGNEE.

The United States Patent and Trademark Office and all other authorities having the right to issue letters patents, Invention Registrations, Utility Models, Extensions, Certificates of Reexamination and Reissues, and the like, is hereby authorized and requested to issue them solely in accordance with the terms of this ASSIGNMENT, to ASSIGNEE, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

This assignment and agreement shall be binding upon our heirs and legal representatives.

IN WITNESS WHEREOF, authorized representatives of ASSIGNOR have executed this Assignment as of the day indicated hereunder.
