ASSIGNMENT

WHEREAS, The University of Utah, having offices at 201 President's Circle, Salt Lake City, Utah, 84112, U.S.A., is a co-owner of a certain invention, entitled PHENYLTHIOCARBAMIDE (PTC) TASTE RECEPTOR, for which the following patent applications have been filed:

Provisional patent application no. 60/306,991 filed on July 20, 2001; and
PCT/US02/23172 filed on July 19, 2002
(Hereinafter referred to as "the patent applications")

WHEREAS, The University of Utah Research Foundation, having a place of business at 615 Arapeen Drive, Suite 110, Salt Lake City, Utah, 84108, U.S.A., desires to acquire The University of Utah's right, title and interest in and to said patent applications and the invention covered thereby;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, The University of Utah does hereby sell, assign, transfer and set over unto The University of Utah Research Foundation, its entire right, title and interest in to the invention, the patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; the invention, applications and letters patent(s) in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, the same to be held and enjoyed by The University of Utah Research Foundation for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives to the end of the term or terms for which the Letters Patent of the United States are or may be granted or reissued as fully and entirely as the same would have been held and enjoyed by The University of Utah, if this assignment and sale had not been made; together with all claims for damages by reason of past infringement of said Letters Patent, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives.

The University of Utah hereby grants the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
