## **ASSIGNMENT**

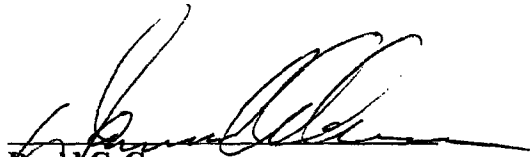

In accordance with existing Employee Intellectual Property Agreement(s) and/or other undertakings, entered into for good and valuable consideration, receipt of which is hereby acknowledged, we, Michael O. Bausch, residing at 237 Misty Oaks Court, Lexington, South Carolina 29072, citizen of the United States of America; David C. Crone, residing at 230 Falcon Drive, Lexington, South Carolina 29073, citizen of the United States of America; and Randal K. Lincoln, residing at 1146 Coralbean Way, Columbia, South Carolina 29229, citizen of the United States of America do hereby sell and assign to Westinghouse Electric Company LLC, a limited liability company organized and existing under the laws of the State of Delaware, United States of America, having its principal place of business at 1000 Westinghouse Drive, Suite 141, Cranberry Township, Pennsylvania 16066, United States of America, its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention in Docket No. ARF 2009-017, entitled "Process for Application of Lubricant to Fuel Rod During Fuel Assembly Loading Process," United States Patent Application Serial No. 12/644,257, filed December 22, 2009, invented by us, describing such invention and the application for United States patent therefor, executed by us on the date(s) hereof; all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents and Utility Model Registrations in countries foreign to the United States, and in and to any Letters Patent or Utility Model Registration which may be granted thereon in such foreign countries, and authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue the said Letters Patent or Utility Model Registration to the said Westinghouse Electric Company LLC, its successors, assigns, nominees, or other legal representatives, as assignee of the entire interest, and covenant that we have full right to convey the entire interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith, and agree that we will communicate to said Westinghouse Electric Company LLC, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such divisional, continuing,

or reissue applications, or the procuring thereof, and that if and when said Westinghouse Electric Company LLC, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign all lawful papers requisite for the filing of such disclaimer, and we further covenant and agree that we will, at any time upon request, do everything legally possible to aid said Westinghouse Electric Company LLC, its successors, assigns, nominees, or other legal representatives, either in its or their own name, to apply for, obtain, and enforce proper patent and/or Utility Model protection for said invention in all countries, all without further consideration, but at the expense of said Westinghouse Electric Company LLC, its successors, assigns, nominees, or other legal representatives.
