ASSIGNMENT

Whereas we, Joseph M. DePaso and Felix H. Lapeyre III, of 8816 Rosecrest Lane, River Ridge, Louisiana 70123, U.S.A., and 5411 S. Rocheblave Street, New Orleans, Louisiana 70125, U.S.A., have made a certain new and useful invention relating to

METHODS FOR SINGULATING ABUTTING ARTICLES

for which we have executed an international patent application under the Patent Cooperation Treaty, which application is identified as Serial No. _____, international filing date _____; and

Whereas LAITRAM, L.L.C.

of 220 Laitram Lane, Harahan, Louisiana 70123, U.S.A.,

the Assignee, is desirous of acquiring the entire right, title, and interest in and to the invention, the patent application, and any patent to be obtained therefor:

Now, therefore, for and in consideration of One Dollar, and other good and valuable considerations, paid to us, the receipt and sufficiency of which are acknowledged, we have sold, assigned, and set over and by these presents do sell, assign, and set over to the Assignee and the Assignee's legal representatives, successors, and assigns, the entire right, title, and interest in and to the invention, the patent application, any patent that may or shall issue from the patent application, and any and all divisions, continuations, continuations-in-part, reexaminations, reissues, or extensions of the patent application or any patent; and we authorize and request that any patent be issued to the Assignee in agreement with the terms of this assignment.

We authorize the Assignee and its agents to insert or to have inserted in this instrument the execution date and/or the filing date and serial number of our patent application.

We convey to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the United States and to claim under the International Convention for the Protection of Industrial Property (the Paris Convention), the Patent Cooperation Treaty, and any other international arrangements for any such patent application, the date of the international patent application (or other patent applications, if there be any) in priority to other patent applications; and we covenant and agree with the Assignee that we will not execute any writing or do any act conflicting with this assignment, and that we will at any time, upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and will give all necessary assistance in making application for and obtaining original, divisional, renewal, reissued, reexamined or extended patents of the United States and of any and all foreign countries for the invention, in enforcing any rights or choses in action accruing as a result of such patent applications or patents, for example, by executing preliminary statements

and other affidavits and declarations, it being understood that this agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

In witness whereof, we have signed and sealed this assignment on Aug 27, 2007

Joseph M. DePaso
