ASSIGNMENT

Whereas, we, DANIEL NUSSER of Höhenweg 21, 73431 Aalen, Federal Republic of Germany, CHRISTIAN SIEGEL of Badgasse 1, 73434 Aalen, Federal Republic of Germany, and GRAHAM KEEVY of Leonrodstrasse 17, 80634 Munich, Federal Republic of Germany, have invented certain new and useful improvements in Combination of a Stand and an Assembly Connected thereto of an XY-Coupling Supporting a Carrier Arm Holding a Housing Containing One or Two Microscope Bodies Equipped with Oculars for which application for United States Letters Design Patent has been executed on even date herewith, (said application having Attorney Docket No. M 0095US2); and,

Whereas, CARL ZEISS SURGICAL GMBH, a corporation organized and existing under the laws of the Federal Republic of Germany, having its principal office at Carl-Zeiss-Strasse 22, 73447 Oberkochen, Federal Republic of Germany (hereinafter referred to as ZEISS), is desirous of obtaining Letters Design Patent for said invention in the United States;

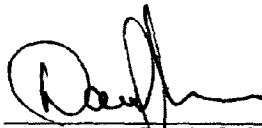

Now, therefore, we hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have transferred unto said ZEISS, its successors, assigns, nominees or other legal representatives, the full and exclusive right to said invention and have agreed to assign and transfer and do hereby assign and transfer unto said ZEISS, its successors, assigns, nominees or other legal representatives, the full and exclusive right, title and interest in and to said application including all priority rights under the International Convention for the Protection of Industrial Property associated therewith and the full and exclusive right to any and all Letters Design Patent which may be granted in the United States on said application to the full end of the term for which said Letters Design Patent is granted and to any and all divisional, continuation, substitute and reissue applications derived from said application.

We agree for ourselves and for our heirs, executors and administrators to communicate to said ZEISS, its successors, assigns,

nominees or other legal representatives, all facts known to us respecting said improvements, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute and reissue applications, make all rightful oaths and do all lawful acts requisite for the application, for such divisional, continuation, substitute and reissue applications or the procuring thereof, and we further covenant and agree that we will, at any time upon request, do everything legally possible to aid said ZEISS, its successors, assigns, nominees or other legal representatives, either in its or their own name, to maintain and enforce any design patent for said improvements without further consideration but at the expense of said ZEISS, its successors, assigns, nominees or other legal representatives.

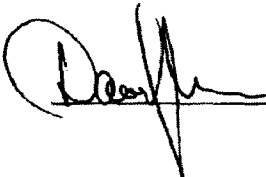

We hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any and all Letters Design Patent which may be granted upon any of said applications, to said ZEISS as the Assignee of the entire right, title and interest in and to the same, for its sole use and behoof; and for the use and behoof of its successors, assigns, nominees, or other legal representatives, to the full end of the term for which said Letters Design Patent may be granted.
