ASSIGNMENT

WHEREAS I, Andrew P. Booler of Ontario, Canada, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled AUTOMATED PRESCRIPTION FILLING SYSTEM/METHOD WITH AUTOMATED LABELING AND PACKAGING SYSTEM/METHOD AND AUTOMATED ORDER CONSOLIDATION SYSTEM/METHOD for which a United States Letters Patent was issued as U.S. Patent No. 6,892,512 on May 17, 2005, for which a United States Letters Patent was issued as U.S. Patent No. 6,970,769 on November 29, 2005, for which a United States Letters Patent was issued as U.S. Patent No. 6,983,579 on January 10, 2006, for which a United States Letters Patent was issued as U.S. Patent No. 7,185,477 on March 6, 2007, for which an application for United States Letters Patent was filed on August 19, 2008, and identified by United States Serial No. 12/194,322, for which an application for United States Letters Patent was filed on October 7, 2008, and identified by United States Serial No. 12/246,986, and as set forth in an application for United States Letters Patent; entitled METHOD FOR AUTOMATED PRESCRIPTION FILLING, PACKAGING AND ORDER CONSOLIDATION, for which a United States Letters Patent was issued as U.S. Patent No. 7,430,838 on October 7, 2008, and as set forth in an application for United States Letters Patent; and entitled BOTTLE OR CONTAINER TRANSFER AUTOMATED PRESCRIPTION FILLING, for which a United States Letters Patent was issued as U.S. Patent No. 7,412,814 on August 19, 2008;

AND WHEREAS, ATS Automation Tooling Systems Inc., a corporation of Ontario, Canada, and having an address at 250 Royal Oak Road, Cambridge, ON, N3H 4R6 Canada, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set jointly over unto ATS Automation Tooling Systems Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned applications and patents, and any additional patent applications in the United States and foreign countries, and any provisional application, original applications, formal applications, continuation applications, continuations-in-part applications, continued prosecution applications, request for continued examination applications, divisional applications, reissue applications, reexaminations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention; and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving

The undersigned hereby grant(s) the firm of Wilmer Cutler Pickering Hale and Dorr LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
