PATENT ASSIGNMENT

WHEREAS, Martin Resource Management Corporation, a corporation created and existing under and by virtue of the laws of the State of Texas, with a physical address of 4200 Stone Road, Kilgore, TX 75662 ("Assignor") is the owner of the invention titled "Method and system for pelletizing sulfur" and an application for United States Letters Patent, Serial No. 11/977,827, filed October 26, 2007 and PCT Application No. PCT/US2008/011799, filed October 16, 2008, both applications pertaining to the invention; and

WHEREAS, Martin Integrated Sulfur Systems, LLC, a limited liability company created and existing under and by virtue of the laws of the State of Texas, with a physical address of 4200 Stone Road, Kilgore, TX 75662 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention throughout the world from the Assignor, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world from the Assignor;

NOW, THEREFORE, for good and valuable considerations, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee all its right, title and interest in and to the said invention throughout the world, and said applications for U.S. Letters Patent, and any and all divisions, continuations, reexaminations and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefor, the same to be held and enjoyed by Assignor for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted, reexamined or reissued, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

EXECUTED THIS 4 day of September, 2009.
