**ASSIGNMENT OF INVENTION  
AND RELATED INTELLECTUAL PROPERTY RIGHTS**

**Parties:**

**1 'The Assignor' JAMES GEORGE LOGAN**

of Bch Division, ROTHAMSTED RESEARCH LIMITED, West Common, Harpenden,  
Hertfordshire AL5 2JQ, United Kingdom

**2 'The Assignees' THE UNIVERSITY COURT OF THE UNIVERSITY OF ABERDEEN**

of King's College, Aberdeen Aberdeenshire AB24 3FX, United Kingdom, and

**ROTHAMSTED RESEARCH LIMITED**

of West Common, Harpenden, Hertfordshire AL5 2JQ, United Kingdom

**Recitals:**

(A) The Assignor is the joint inventor with others of the invention or inventions entitled PEST REPELLENT COMPRISING GERANYLACETONE ("the Invention") for which International PCT Application No. PCT/GB2007/000742 ("the PCT Application") was filed on 2 March 2007

(B) The PCT Application claims priority from United States Provisional Application No. US 60/779109 ("the Priority Application") filed 3 March 2006

(C) The Assignor has agreed to execute this Assignment to confirm and ensure that as between the Assignor and the Assignees all of his rights title and interest in to and under the Invention the Priority Application the PCT Application and all national and regional patent applications derived therefrom and any and all other applications linked by priority thereto shall belong to the Assignees

(D) The terms "the Priority Application" and "the PCT Application and all national and regional patent applications derived therefrom and any and all other applications linked by priority thereto" together include, but are not limited to, the Patent Applications set out in the Schedule hereto

**Operative provisions:**

In consideration for the payment of £1.00 by the Assignees to the Assignor the receipt and adequacy of which is hereby acknowledged by the Assignor:

**1** The Assignor hereby sells and assigns jointly to the Assignees absolutely and free from incumbrances:

**1.1** all his rights title and interest in Canada and the United States and all other countries of the world in to and under the Invention the Priority Application and the PCT Application and all national and regional patent applications derived therefrom and any and all other applications linked by priority thereto and any and all divisionals, continuations and continuations-in-part of any of the aforesaid applications and any and all patents that may be granted pursuant thereto for the full period thereof including any re-issues, re-examinations, renewals, extensions and Supplementary Protection Certificates and including all rights and powers arising or accrued therefrom including the right to sue for damages and other remedies in respect of any infringement of any such rights before on or after the date hereof and to retain any damages obtained as a result of such action;

**1.2** all such rights as he may have to apply for prosecute and obtain patents and other intellectual property protection anywhere in the world in respect of the Invention to the intent that

the grant of any patents or other intellectual property protection for the Invention shall be in the name of and shall vest in the Assignees or their successors or assigns;

**1.3** all such rights as he may have to claim priority from the Priority Application in any and all applications for patent protection for the Invention, such rights to be enjoyed by the Assignees with effect from the date of filing of the Priority Application;

to the intent that the Assignees shall have and hold the rights title and interest hereby assigned as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made.

**2** The Assignor hereby GRANTS the firm of Mewburn Ellis LLP the power to insert in the Schedule to this Assignment any further identification of any patent applications in Canada or the United States or any other countries or regions of the world which fall within the scope of clause 1 above, as may be necessary or desirable in order to comply with the rules of the United States Patent Office or the Canadian Patent Office or any other Patent Office for recordation of this document. It is understood and agreed that the Assignees's attorneys Mewburn Ellis LLP have not represented the Assignor and will continue to represent only the Assignees and their successors in title with respect to the Invention and all patent applications relating thereto.

**3** The Assignor hereby UNDERTAKES that at the request and cost of the Assignees or their successors or assigns he will at all times hereafter promptly do all such acts and execute all such documents (including but not limited to documents required to be signed by or on behalf of inventors in the course of any and all Canadian and United States patent applications which relate to the Invention and any and all divisionals, continuations and continuations-in-part of any such applications) as may be reasonably necessary or desirable to secure the vesting in the Assignees or their successors or assigns of all rights title and interest assigned to the Assignees hereunder and to confirm the title of the Assignees or their successors or assigns to all such rights title and interest and to assist in the resolution of any question concerning the Invention or any application for patent or other intellectual property protection for the Invention or any intellectual property protection granted pursuant to any such application.

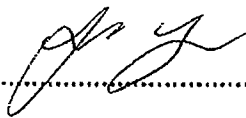

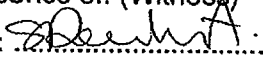

**4** The Assignor hereby requests the relevant authorities in all countries of the world to issue any patents granted for the Invention in the name of the Assignees or their successors or assigns in accordance with this assignment.

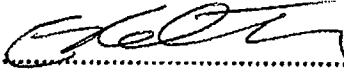

**5** This assignment and undertaking shall be binding upon the heirs, executors, administrators, successors and/or assigns of the Assignor and shall enure to the benefit of any heirs, executors, administrators, successors and/or assigns of the Assignees.

AS WITNESS the signatures of (or of duly authorised officers of) the parties hereto
