ORNAMENTAL DESIGN AND DESIGN PATENT APPLICATION ASSIGNMENT
(Single Inventor)

WHEREAS, I, **Tam Le**, ASSIGNOR, residing at , Santa Ana, CA and citizen of the United States of America, have invented an ornamental design for a **Latch Housing** which has been described in a U.S. Design Patent Application.

WHEREAS, **Sierra Pacific Engineering & Products**, a California corporation, ASSIGNEE, is desirous of obtaining my entire right, title, and interest in, to, and under the same design and the referenced U.S. Design Patent Application:

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to the said ASSIGNOR in hand paid, and for other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, unto the said ASSIGNEE, its successors, legal representatives, and assigns, my entire right, title, and interest in, to, and under the said ornamental design, in the said U.S. Design Patent Application, and all divisions, renewals, and continuations thereof, and all Design Patents of the United States which may be granted thereon and all reissues thereof; and all applications for industrial design protection, including, without limitation, all applications for design patents, utility models, and industrial design registrations which may hereafter be filed for said ornamental design in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said applications under the Patent Laws of the United States and the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic

laws of the country in which any such applications are filed, as may be applicable; and all forms of industrial property protection, including, without limitation, design patents, utility models, and industrial design registrations which may be granted for said ornamental design in any country or countries foreign to the United States, and all extensions, renewals, and reissues thereof;

I FURTHER HEREBY authorize and request the Commissioner for Patents of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue design patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives, and assigns, in accordance with the terms of this instrument;

I FURTHER HEREBY covenant that I have full right to convey my entire interest herein assigned and that I have not executed, and will not execute, any agreement in conflict herewith;

I FURTHER HEREBY covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting said ornamental design, and testify in any legal proceeding, sign all lawful papers, execute all divisions, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives, and assigns, to obtain and enforce proper patent protection for said ornamental design in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal on the date indicated below.
