ASSIGNMENT

I, Randy Westlund, citizen of the United States of America, residing at 16 Golden Acres Road, River Falls, Wisconsin 54022 have made an invention relating to TRANSVASCULAR MEDICAL LEAD, and have executed an application for United States Letters Patent based thereon and identified by attorney's File No. CCI 0011 and naming the following inventors: Randy Westlund, Application No. 12/330,095, filed December 8, 2008.

In exchange for good and valuable consideration, the receipt of which we now acknowledge, we hereby assign to Cardiac Concepts, Inc., a Delaware corporation having its principal place of business at 12400 Whitewater Drive, Minnetonka, Minnesota, 55343, its successors and assigns:

- (1) The entire right, title and interest to the above-identified invention and application;
- (2) The entire right, title and interest to any United States or foreign Letters Patents which may issue with respect to the above-identified invention;
- (3) The entire right, title and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above-identified invention and application; and
- (4) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Cardiac Concepts, Inc., its successors and assigns may deem necessary to fully secure its rights, title or interest as outlined herein.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue to Cardiac Concepts, Inc., any Letters Patents which may be granted in accordance with this Assignment.

Dated this 17 day of February, 2010.
