ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I the undersigned, Erik John Woods, do hereby sell, assign, and transfer to: Vialco, LLC, a limited liability corporation of Indiana, having a place of business at 1102 Stadium Drive, Indianapolis, IN 46202, ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently herewith, and is entitled: "Systems and Methods for Cryopreservation of Cells", and which claims priority to and is a continuation-in-part of U.S. application No. 12/337,237, filed on December 17, 2008, which claims priority to and is a continuation-in-part of U.S. application No. 11/765,000, and to provisional application No. 60/814,982, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application; and

Agree that Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; and generally do everything possible which Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining patent protection for said inventions and improvements and for vesting title to said inventions and improvements and all applications to patents and all patents thereon, in Assignee, its successors, assigns and legal representatives; and

Covenant with Assignee, its successors, assigns and legal representatives that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
