Attorney Docket No.

S164.12-0016

WHEREAS, We, Jean-Claude Dufourd of Le Kremlin Bicetre, France and Cédric Gegout of Rennes, France (each hereinafter referred to individually as Assignor), am an inventor of an invention described in:

- French Patent Application No. 0755745, filed on June 13, 2007;
- International application for Letters Patent filed pursuant to the Patent Cooperation Treaty and designating the United States, and being identified by Application No. PCT/EP2008/057043, filed on June 5, 2008;
- any United States Patent Application claiming priority from the above-identified French, European and/or International patent application, the United States patent application being identifiable in the United States Patent and Trademark Office by Application No. 12/664.602, filed December 14, 2009.

WHEREAS, Streamezzo, a company organized and existing under the laws of France, and having offices at 21, Avenue Victor Hugo, 75016 Paris, France, ("Assignee") is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all Letters Patent or similar legal protection in the United States, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor hereby transfers to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the invention, the above-identified patent applications, all inventions and improvements which are disclosed in the patent applications, all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States on any of said inventions and/or improvements, all rights of priority resulting from the filing of the above-identified patent applications, and all Letters Patent or similar legal protection issuing thereon; and Assignor authorizes the United States Patent and Trademark Office to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this document the filing date and serial numbers of the above patent applications when ascertained.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all countries.

I represent to the Assignee, its successors and assigns, that Assignor has not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
