ASSIGNMENT

WHEREAS, Sensibuilt Building Solutions, LLC, having a place of business at 99 River Road, Cos Cob, CT, 06807 and who, together with its successors and assigns, is hereinafter called "Assignor," having been assigned full right, title and interest to United States Design Application No. 29/322,317 filed on August 1, 2008 entitled INSTALLATION PILOT DEVICE, including any and all inventions and discoveries made therein, is desirous of transferring the title, rights, benefits, and privileges hereinafter recited;

WHEREAS, Fiber Composites, LLC having a place of business at 30 Kennedy Plaza, Suite 400, Providence, RI 02903, and who, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

NOW, THEREFORE, for valuable consideration furnished by Assignee to Assignor, receipt and sufficiency of which Assignor hereby acknowledges, Assignor hereby, without reservations:

1. Assigns, transfers, and conveys to Assignee the entire right, title, and interest in and to said inventions and discoveries, said design application, any and all other applications for Letters Patent on said inventions and discoveries in any and all countries, including all provisional, non-provisional, divisional, renewal, substitute, continuation, and Convention and International Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent.
2. Authorizes Assignee to file patent applications in any or all countries for any or all of said inventions and discoveries in the name of Assignee or otherwise as Assignee may deem advisable, under an International Convention or otherwise.
3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.
4. Warrants that Assignor has not conveyed to others any right, title, or interest in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; that Assignor has good right to assign the same to Assignee without encumbrance; and that Assignor is aware of no claim to the contrary.
5. Binds Assignor and its legal representatives and assigns to do, upon Assignee's request and at Assignee's expense, but without additional consideration to

Assignor or its legal representatives or assigns, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor and its legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to Assignor relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in Assignor's control or in the control of Assignor's legal representatives or assigns which may be useful for establishing the facts of our conceptions, disclosures, and reduction to practice of said inventions and discoveries; and to testify to the same in any interference, arbitration, or litigation.

6. This Assignment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures hereto were upon the same instrument. The undersigned (whose titles are supplied below) are empowered to act on behalf of their respective party.
