ASSIGNMENT AND AGREEMENT

For value received, I, David Garland Abell of Delaplane, VA, hereby sell, assign and transfer to Oberthur Technologies of America Corp., having an office at 4250 PleasantValley Rd., Chantilly, VA 20151-1278, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Methods and Apparatus for Prepaid Card Packaging** which is being filed herewith and U.S. Provisional Application Serial No. 61/157,222 filed March 4, 2009, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Oberthur Technologies of America Corp., the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Oberthur Technologies of America Corp. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Oberthur Technologies of America Corp. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Oberthur Technologies of America Corp. in the United States and in all countries foreign to the United States, or to such nominees as Oberthur Technologies of America Corp. may designate.

I agree that, when requested, I shall, without charge to Oberthur Technologies of America Corp. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
