SCHEDULE A

ASSIGNMENT AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, **Nuvelo, Inc.** (the "Assignor"), a Delaware corporation having its principal place of business at 201 Industrial Road, Suite 310, San Carlos, California 94070, United States of America, hereby assigns and transfers, effective as of the date of the signature on this document, to **Sequenom Inc.** (the "Assignee"), a Delaware corporation having its principal place of business at 3595 John Hopkins Court, San Diego, CA 92121, United States of America, all of Assignor's right, title and interest in and to the patents and patent applications listed on the attached Exhibit A, and the inventions disclosed and described therein (the "Inventions"), including any divisional, continuation, continuation-in-part, reissue or re-examination applications thereof, and any patents issuing from any of the foregoing, or extensions thereof, as well as any national, regional or international counterparts thereto, and any other patents and patent applications claiming priority to any of the foregoing, all rights to sue at law or in equity for any past, present or future infringement thereof, and to receive all proceeds and damages therefrom, the same to be held and enjoyed by the Assignee, its successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this assignment not been made.

Assignor further agrees that Assignor and Assignor's successors and assigns and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of each of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Inventions, to obtain or maintain or enforce patents for the Inventions and improvements therein in any and all countries and to vest title thereto in Assignee. Assignor further agrees that such Assignor will, without further compensation to Assignor, perform such other acts as may be reasonably required when requested by Assignee, including providing appropriate representatives to attend depositions, prepare and execute declarations and affidavits and testify as witnesses, to obtain or maintain or enforce patents for the Inventions and improvements therein in any and all countries and to vest title thereto in Assignee.

Handwritten signature and date "3.15".

IN TESTIMONY WHEREOF, this Assignment is executed by the Assignor this 17th day of April, 2006.
