## ASSIGNMENT

I, Paul V. Scicluna (United States citizen) having an address at 977 Oakland Avenue, Penndel, Pennsylvania 19047 (hereinafter referred to as "Assignor"); in consideration of payment to me in the sum of One Dollar (\$1.00) and for other good and valuable consideration, receipt and sufficiency of which are acknowledged hereby; from Tumi, Inc. (New Jersey corporation) having its principal place of business at 1001 Durham Avenue, South Plainfield, New Jersey 07080, including its successors and assigns (hereinafter referred to as "Assignee"); Assignor has sold, assigned and conveyed and hereby does evidence said sale, assignment and conveyance unto Assignee, it's successors and assigns, Assignor's entire right, title and interest in and to the following:

- (1) In and to an application for design patent entitled STITCHED PLUNGER HANDLE FOR LUGGAGE, in and to all other applications for patent of the United States of America (including renewal, divisional, continuation, substitute and reissue applications) based upon said design patent, and in and to the patent(s) to be granted thereon, including extensions and reissue, if any, to the full ends of the terms for which said patent(s) may be granted.
- (2) In and to all rights to any patent, design patent, or other comparable legal right; such as but not limited to registered designs, industrial designs, industrial models,

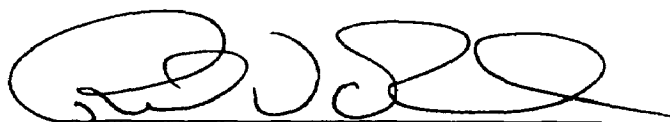

certificate of inventorship, copyrights, trademarks and/or the like; corresponding in kind or form to said design patent in and/or for any country foreign to the United States of America. The foregoing Articles (1) and (2) jointly and severally herewith referred to as the "Patent Right."

(3) I hereby represent and agree that I have not executed and will not execute any document in conflict herewith, and I further agree that I will at any time, upon request by the Assignee, execute and deliver to the Assignee any and all papers that may be necessary or desirable to perfect title to said Patent Right worldwide in Assignee, and if Assignee desires to file one or more divisional, continuation, or substitute application of or for said design patent application or to secure reissue or extension of such patent(s), or to file a disclaimer relating thereto or in any way to advance or protect the Patent Right worldwide I will upon request by Assignee sign all papers, make all rightful oaths and do all lawful acts requisite of me for such reissue or extension, or the procuring thereof, and for the filing of such disclaimer, or advancement or protection of the Patent Right worldwide, without further compensation, but at the expense of Assignee.

(4) I further agree that I will at any time upon request by Assignee communicate to Assignee any facts relating to said design and/or Patent Right worldwide and/or the history thereof, known to me and testify to the same in any interference or any litigation when requested so to do by Assignee.

- (5) I authorize and request the Commissioner of Patents and Trademarks of the United States of America and comparable officials in countries foreign to the United States of America to issue a United States Design Patent and/or the Patent Right worldwide to Assignee as assignee of my entire right, title and interest therein.

Signed at New York, New York, this 9 day of Feb, 2010.
