ASSIGNMENT OF RIGHTS IN PATENT APPLICATION

Assignor

Hyong-jin Cho

Beverly A. Rzigalinski

Post Office Address of Assignor

2970 Sweetspire Circle
Oviedo, Florida 32766

100 Charmont Drive
Radford, Virginia 24141

Assignee

University of Central Florida
Research Foundation, Inc.
(A Florida Non-Profit Corporation)

Principal Place of Business of Assignee

12201 Research Parkway, Suite 501
Orlando, Florida 32816

WHEREAS, I, the above-identified Assignor, am an inventor in the following U.S. patent:

<u>Patent Number</u>	<u>Title</u>	<u>Date of Patent</u>
7,118,922	System and Method for Immunosensor Regeneration	October 10, 2006

Hereinafter referred to as the "Patent";

And, whereas I desire to assign a 100% undivided interest in said Patent to the above-identified Assignee, and wherein said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for value received, the receipt and sufficiency whereof is hereby acknowledged;

I hereby assign, sell and transfer a 100% undivided interest in the entirety of the bundle of rights, title, and interest in and to said Patent, unto said Assignee, together with all claims for damages and profits by reason of any past infringement of said letters patent and the right to sue therefor, such interests, claims, and rights, to be held and enjoyed by the Assignee for its own use and for its successors and assigns, to the full end of the term for which such Patent is granted, and any reissues, renewals, or extensions thereof as may be granted, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Patent;

And I further covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

And I further covenant that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said Patent as may be known and accessible to me and I will testify to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments, declarations, or affidavits required to apply for, obtain, maintain, and enforce said Patent which may be necessary or desirable to carry out the purposes hereof;

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Upon being duly cautioned, I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that false statements and the like so made are punishable by fine, imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the patent.
